School Shirts

There are still school shirts hidden in washing piles or in the bottom drawer. Please have a good look and make sure that you have returned your school shirt. If your school shirt is not returned invoices will have to be sent out.

Stationery Accounts

If you have not yet paid your stationery account please send this along TOMORROW. It is VERY IMPORTANT that all money owing is paid by the end of term for your child. If people continue to abuse this service we will no longer be able supply stationery using our current system. We will have to revert to 'payment before the supply of goods.'

Camp Parents

We are in the final stages of making all the necessary payments for the ski camp. If you were one of the camp parents who took your vehicle we have a donation towards your petrol costs which was included in the students fees.

We are about to send the list of parent helpers to our accounting services for them to write the cheques, in the past one or two parents have donated their petrol contribution to the school (**not that this is expected**). Could you please let the office know (by this Thursday) if you don't want the petrol donation so that we only have the required cheques written.

Once again thank you for your support, donation of time and resources which all helped to make the ski camp the fantastic adventure that it was.
