Athletics Day

Where: Hastings Boys High School

When: Friday 16th November from 10am - 2pm

This is a great day out organised by St Mathews School. The programme will follow the same format as last year with the children taking part in hurdles, sprints, long jump, high jump and throwing events. Please ensure you have your children at the Hastings Boys High field (under the trees) by 9.45.

We have two children who need transport to this event - if you are able to help out please contact the school.

Prizegiving Cups & Trophies

As the term is flying by very fast could all cups and trophies be returned to school asap so that we have plenty of time to get these engraved for prizegiving.

Parents & Friends Meeting

The next P & F meeting is the final one for the year and is open to all parents. This will be at Michelle Carswell's home on 29th November - Thursday, at 7:00pm. Please BYO plate and bottle.
